

MINIFORCE

# PEB0116RS

- Tested and certified mechanical, self-adjusting crimping tool for end- and TWIN-end terminals with rotatable dies.
- Rotatable dies making both side and front feed possible.
- Square crimp for end terminals 0,14-16 mm<sup>2</sup> and TWIN-end terminals 2×0,5-2×6 mm<sup>2</sup>.
- Ergonomic handles, light weight, relatively low handle force and optimum handle opening for comfortable crimping.
- Compact design for easy access to wires in confined spaces.

Item number: **5114-512800**

EAN: **7393487090545**

Ratchet function that does not trigger until completed crimp: **Yes**

Delivery box: **Plastic case**

Crimp geometries: **Square**

Number of crimps: **1**

AWG/MCM Cu: **26 - 6 AWG**

mm<sup>2</sup> Cu: **0,14-16**
