

Combination tool for cutting and stripping

EMBLA RA 16

- easy to change the stripping cassette
- fine-adjustment allows stripping of thin insulation without conductor damage
- ergonomic handles
- interchangeable stripping cassettes and cutting knives
- tested over 150,000 cycles

Cutting and stripping tool with oval-shaped blades for 4-16 mm² insulation. Cutting capacity: on multi-wire conductors 10 mm², single-wire conductors 1.5 mm². EMBLA RA (right-angled) is a variant of EMBLA. The head of the tool is right-angled, which facilitates work at a workbench.
